Hi Jerry

I just want to tell how impressed I was with your and Jon Jones presentation at the Charlotte convention. I attended your session out of curiosity more than anything else as sight calling has been drilled onto me over my 30 years of calling. About half way through your session I realized what an easy method CRaMS is and how it could be a great help to me. I have visited your WEB site and got all your info there and maybe I'll try to get to one of caller schools. I am going to start using the CRaMS system a little at a time and I am sure it will open new choreography for me and especially my dancers.

Oh, Charlotte was the first American convention my partner and I have attended. We had a wonderful time and will defiantly try to get to more.

Thanks for the eye opener and hope to see you again.

Hi Andy,

What a great testament for CRaMS. Thank you.

I have 2 questions for you. Where do you live and do you mind if I put your letter on my web site?

Please keep in touch as CRaMS will continue to turn on lights. Love to hear from you.

All the best,
