

Angels Among Us

I was walking home from school on a cold winter day
I took a short cut through the woods and I lost my way
It was getting late and I was scared and alone
But then a kind old man took my hand and led me home
Mama couldn't see him but he was standing there
And I knew in my heart he was the answer to my prayers

(Chorus) O...h, I believe there are angels among us sent down to us from some where up above. They come to you and me in our darkest hours to show us how to live, to teach how to give, to guide us with the light of love.

When life held trouble times and had me down on my knees
There always seem to be someone to come along and comfort me
A kind word from a stranger to lend a helping hand
A phone call from a friend to say you know what I understand
But ain't it kind of funny at the dark end of the road
That someone lights the way with just a single ray of hope

(Chorus)

They wear so many faces; show up in the strangest places
To grace us with their mercy in our time of need

(Chorus)

(Tag) To guide us with the light of LOVE

God Has Been Good To Me

I have a nice little place in the country where I hang my cares on a tree
My heart cries out when I look about, God you've been good to me
There's a loving face in the doorway where the birds sing merrily
And the children rush up with the family pup, God you've been good to me.

(Chorus) I might have been a millionaire with a mansion on a hill
But I like things just the way they are and I guess I always will
For I receive a million kisses, I am as rich I can be
And I always say when I kneel to pray, God you've been good to me.

(Chorus)

(Tag) Oh, I always say when I kneel to pray, God you've been good to me.

When the Roll Is Called Up Yonder

When the trumpet of the Lord shall sound and time shall be no more
When the morning breaks eternal bright and fair
When the saved on earth shall gather over on the other shore
When the roll is called up yonder, I'll be there

(Chorus) When the roll is called up yonder, when the roll is called up yonder,
When the roll is called up yonder, when the roll is called up yonder, I'll be there.

On that bright and cloudless morning when the dead of Christ shall rise
And the glory of his resurrection shared
When his chosen ones shall gather to their home beyond the skies
And the roll is called up yonder, I'll be there.

(Chorus)

Let us labor for our master from the dawn till setting sun
Let us talk of all his wondrous love and care
Then when all of life is over and our work on earth is done
And the roll is called up yonder, I'll be there.

(Chorus)

(Tag) When the roll is called up yonder, I'll be there.

Wings of a Dove

(Chorus) On the wings of a snow white dove, he sends his pure sweet love
A sign from above, on the wings of a dove

When trouble surrounds us, when evils come, the body grows weak, the spirit grows
numb
When these things beset us, he doesn't forget us. He sends down his love on the wings of
a dove.

(Chorus)

When Noah had drifted on the flood many days, he searched for land in various ways.
Troubles he had some, but wasn't forgotten. He sent him his love on the wings of a dove

(Chorus)

When Jesus went down to the waters that day he was baptized in the usual way
When it was done, God blessed his Son. He sent him his love on the wings of a dove

(Chorus)

(Tag) A sign from above, on the wings of a dove

We're on a Journey

We're on a Journey, destination heaven and each step brings us close to home
Going to keep our eyes on Jesus, knowing that he'll lead us
To that land where streets are pure as gold

(Chorus) Walking together toward heaven, talking and singing about heaven,
Brothers and sisters, members of the family of God.
I can't wait to leave here, don't you want to be there, when the Saints all go marching in.
Some from every nation, what a celebration, hand in hand together with the Lord.

Those who've gone before us, with the Lord to greet us
As we walk through those gates of pearl.
We'll kneel down before Him. We're going to worship and adore Him.
In the church, forever with the Lord.

(Chorus)

(Chorus)

(Tag) Some from every nation, what a celebration, hand in hand together with the Lord
Some from every nation, what a celebration, hand in hand together with the Lord
Hand in hand together with the Lord, the Lord, with the Lord.

How Great Thou Art

Oh Lord my God, when I in awesome wonder
Consider all the worlds thy hands have made
I see the stars, I hear the rolling thunder
Thy power throughout the universe displayed

(Chorus) Then sings my soul, my Savior God to thee
How great thou art, how great thou art
Then sings my soul, my Savior God to thee
How great thou art, how great thou art

When Christ shall come, with shouts of acclamation
And take me home, what joy shall fill my heart
Then I shall bow in humble adoration,
And there proclaim my god how great thou art

(Chorus)

(Tag) How great thou art, how great thou art!

Jesus is my Savior

I was headed down that highway watching the white lines
Seemed like the Lord was reading my mind
I was thinking about heaven, I know that I am going for sure
Jesus is my Savior, and I'm not scared anymore

(Chorus) Lord Jesus is my Savior, and I'm not scared anymore
He walks and talks with me each day about those peaceful shores
I can call him a friend, I can call him a brother, I can call him my clinging vine
My Lord Jesus is going to be with me until the end of time.

As I traveled from town to town, nothing left to myself to be said
God only knows where I'll rest my weary head.
I can't stop thinking about heaven
You know I am going for sure, Jesus is my Savior and I'm not scared anymore.

(Chorus)

(Tag) Yes, my lord Jesus is going to be with me until the end of time.

Just a Closer Walk with Thee

I am weak but thou art strong
Jesus keep me from all wrong
I'll be satisfied as long
As I walk, let me walk close to thee

(Chorus) Just a closer walk with thee
Granted Jesus is my plea
Daily walking close to thee
Let it be dear Lord, let it be

When my feeble life is ore
Time for me will be no more
Guide me gently, safely ore
To thy kingdom shore, to thy shore

(Chorus)

(Chorus)

(Tag) Let it be dear Lord, let it be

Amazing Grace

(Chorus) Amazing Grace how sweet the sound that saved a wretch like me
I once was lost but now I'm found, was blind but now I see

Through many dangers, toils and snares, I have already come
Tis grace hath brought me safe thus far and grace will lead me home

When we've been there ten thousand years, bright shining as the sun
We've no less days to sing God's praise than when we've first begun

(Chorus)

(Tag) I once was lost but now I'm found, was blind but now I see

Mountain Top

I love to sing and I love to pray
Worship the Lord most every day
I go to the temple and I just want to stay
To hide from the hustle of the world and its ways

(Chorus) But I love to live on a mountain top
Fellowshipping with the Lord
I love to stand on a mountain top
Like to feel my spirit soar
But I've got to come down from the mountain top
To the people in the valley below
Or they will never know
That they can go to the mountain of the Lord

Now praising the father is a good thing to do
To worship the trinity in spirit and truth
But if we worship all of the time
There will be no one to lead the blind

(Chorus)

I am not saying that worship is wrong
Worship is more than just singing some songs
Cuz it's all that we say and everything we do
It's letting God's spirit live through you

(Chorus)
